Hakkımızda

About US

KUHL[®]
MESSER

🇹🇷 Hikayemiz 1985 yılında başladı... Hikayemiz geçmişimizdir, hala ilk günkü gibi heyecanla üretmekteyiz.

Sırrımız; sürdürülebilirlik, tutarlı, kalite, güler yüzlü hizmet personeli ve çevre dostu üretim. Bütün bunlar uzun süredir sadık olan müşterilerimize borçluyuz. Sizlere kaliteli ve güvenli, 35 yılı aşkın tecrübemiz ile hizmet vermekten dolayı gururluyuz...

🇬🇧 Our story has begun in 1985. Our story is our past and we still produce with the same excitement as the first day.

Our secret is sustainability, consistency, quality, friendly service team and environmentally friendly production. We owe all of these to our loyal customers who have been with us for a long time. We are proud to provide you a high quality and safe service with over 35 years of experience...

Değerlerimiz

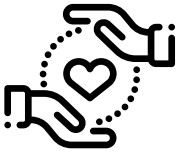

Our Values

İnsana Değer / Value to People

Odağımıza insanı alırız. İnsanı kaynak değil bir değer olarak görürüz. Tüm faaliyetlerimizde önce insan diyerek yola çıkarız.

Our focus is people. We do not see people as a resource. We set out by saying "human first" in all our activities.

Güven / Trust

Güven esaslı ilişkiler geliştiririz. Söylediklerimizi yapar; işimize sorumluluklarımıza, değerlerimize ve birbirimize sahip çıkarız. Söylem ve eylem bütünlüğüne önem verir, güven sağlarız.

We develop relationships based on trust. We do what we say; We take care of our work, our responsibilities, our values and each other, we attach importance to the integrity of discourse and action and provide trust.

Kalite ve Çözüm / Quality, Solution

Tüm süreçlerimizde yapıcı ve geliştirici bir şekilde ilerleriz. Hem müşterilerimizin hem çalışanlarımızın memnuniyeti ve güveni için kaliteye önem verir çözüm odaklı yaklaşımlar sergileriz.

We proceed in a constructive and progressive manner in all of our processes. We attach importance to quality for the satisfaction and trust of both our customers and our employees and provide solution-oriented approach.

Gelişmek ve Geliştirmek / Development, Improvement

Sürdürülebilirliğin; gelişim, değişim ve yenilikle geleceğini biliriz. Sadece teknolojiye; üretime ve tesislere değil; insana da yatırım yaparız. Bilgiyi paylaşarak kurumsal hafızayı güçlendiririz.

We know that the sustainability is the result of innovation and development. We invest to people as well as we invest technology, production and facilities. We strengthen corporate memory by sharing information.

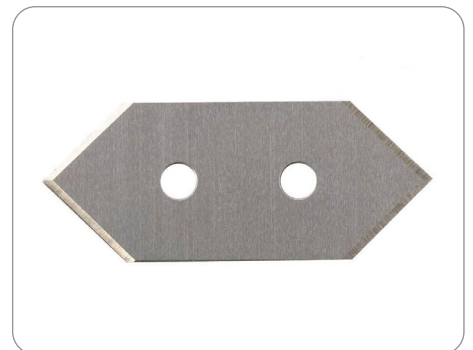

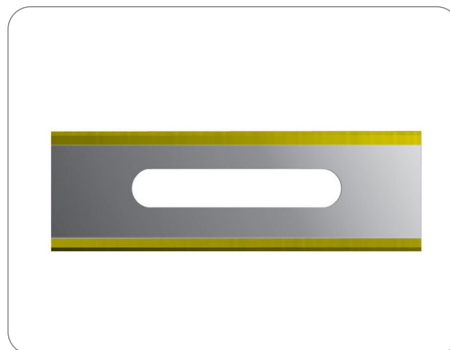

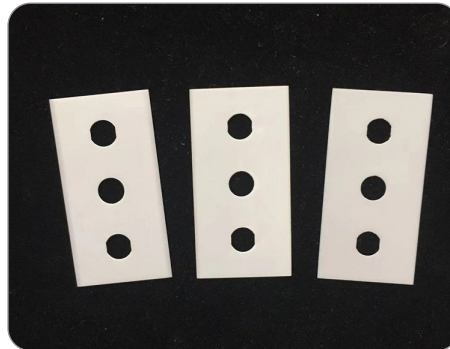

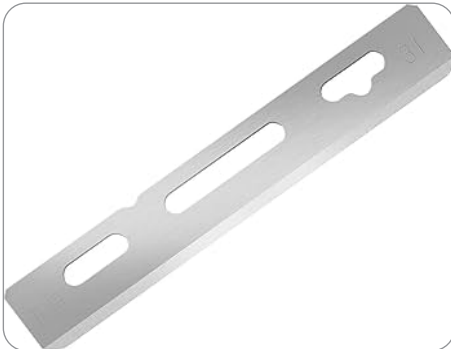

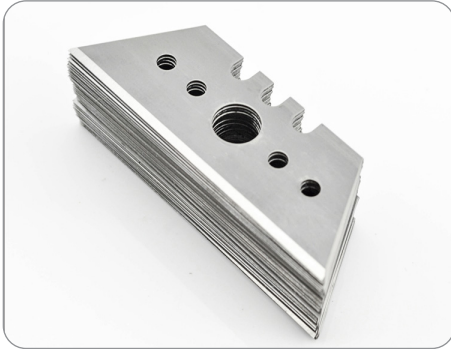

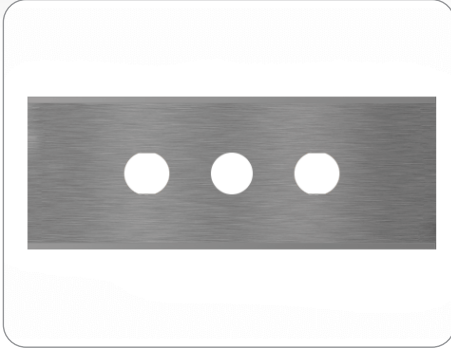

Sosyal Sorumluluk / Social Responsibility

Ülkemizde ve çevremizdeki gelişmelere duyarlılık gösterir; üzerimize düşen görevleri yerine getiririz. Ulusumuza, kültürel değerlerimize, ailemize ve çevremize duyarlıyız.

We show awareness to events in our country and fulfill our responsibilities. We are sensitive for our nation, our cultural values, our family and environment.
